On October 18, 2018, we closed our branches at 1:00 PM to participate in community service events that allowed us to give back and adhere to the Credit Union Philosophy of “People Helping People.” International Credit Union Day has been celebrated on the third Thursday of October since 1948. The day is recognized to reflect upon the credit union movement’s history, promote its achievements, recognize hard work, and share member experiences. The ultimate goal is to raise awareness about the tremendous work that credit unions and other financial cooperatives are doing around the world while allowing members the opportunity to become more engaged.

On this day, our Green River and Rock Springs Branches partnered with United Way providing services to the Boys and Girls Club and the Sweetwater County Center for Families and Children, which included deep cleaning, painting, yard work, and hauling items to the landfill. In partnership with the Evanston Hungry Children’s Backpack Program, our Evanston Branch assisted local stores, collecting food items and monetary donations to give back to the program. Our Mountain View Branch participated in classroom readings at the Children’s Learning Foundation. Children received snacks and a goodie bag. In addition, trash was removed from the business park and ball fields. All activities exhibited instant results for the communities. Together, we believe ICU Day was an astounding success.

“People Helping People” is a philosophy that we truly live by and believe in.
Make the Holidays Magical

Pack the Pickup Event

We would like to extend a heartfelt “Thank You” to the Sweetwater County Board of Realtors and their Pack the Pickup Event. The event took place on Saturday, October 6th at the Rock Springs Walmart. A pickup truck was parked at each entrance from 8:00 AM to 12:00 PM where shoppers donated food items for both the Trona Valley FCU Backpack Meal Program and the RSHS Giving Pack Project; both entities provide weekend meals to children in need within our communities. Fulfilling the need of these children and their families would not be made possible without the continued support of local businesses and the surrounding communities.
