A PROUD PARTICIPANT

Trona Valley is proud to participate in a national savings campaign, America Saves. During the month of February (and beyond), America Saves and Trona Valley will commit to helping people save money. America Saves Week is scheduled February 22-26, 2021. This week is specifically dedicated for people to take financial action to save money for emergencies, retirement, and everything in between. The annual celebration is a CALL TO ACTION for people to commit to saving successfully. The America Saves pledge is the framework that allows savers to set a goal and make a plan to achieve better financial stability. Anyone can Take A Pledge beginning February 1, 2021 at TronaValley.com

ABOUT AMERICA SAVES

The America Saves campaign is managed by the nonprofit Consumer Federation of America that uses the principles of behavioral economics and social marketing to motivate and encourage people to save money, reduce debt, and build wealth. America Saves recognizes the important role that credit unions play in helping people save money. Almost half of all Americans are facing a savings crisis with the inability to meet an emergency of \$400 without incurring debt. This national campaign has been celebrated since 2007.
